PLEASE NOTE: Should we be unable to complete this connection, (due to reasons beyond our control), at the agreed time of appointment, a fee of £50 will be charged in advance of us having to re-visit the site. We will not process request for work until all relevant completed paperwork is received, payments made as set out in our quotation and the distribution supply is able to take the full load, as quoted. The Supply location must be physically and environmentally safe and secure.

PLEASE RETURN UPON COMPLETION TO:
