

We are working in your area today to help meet the increasing demand for low-carbon electricity.

Roadworks notice.

Due to the ever-increasing demand for electricity, Jersey Electricity, supported by our sub-contractor Geomarine, is hard at work enhancing the electricity distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure Jersey Electricity continues to meet your energy needs.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to contact our sub-contractor Geomarine on **01534 856566**.

Thank you for your continued support.

je Jersey Electricity

GEOMARINE

Avenue du Petit Mont & South Hill, St Helier

Dear Customer,

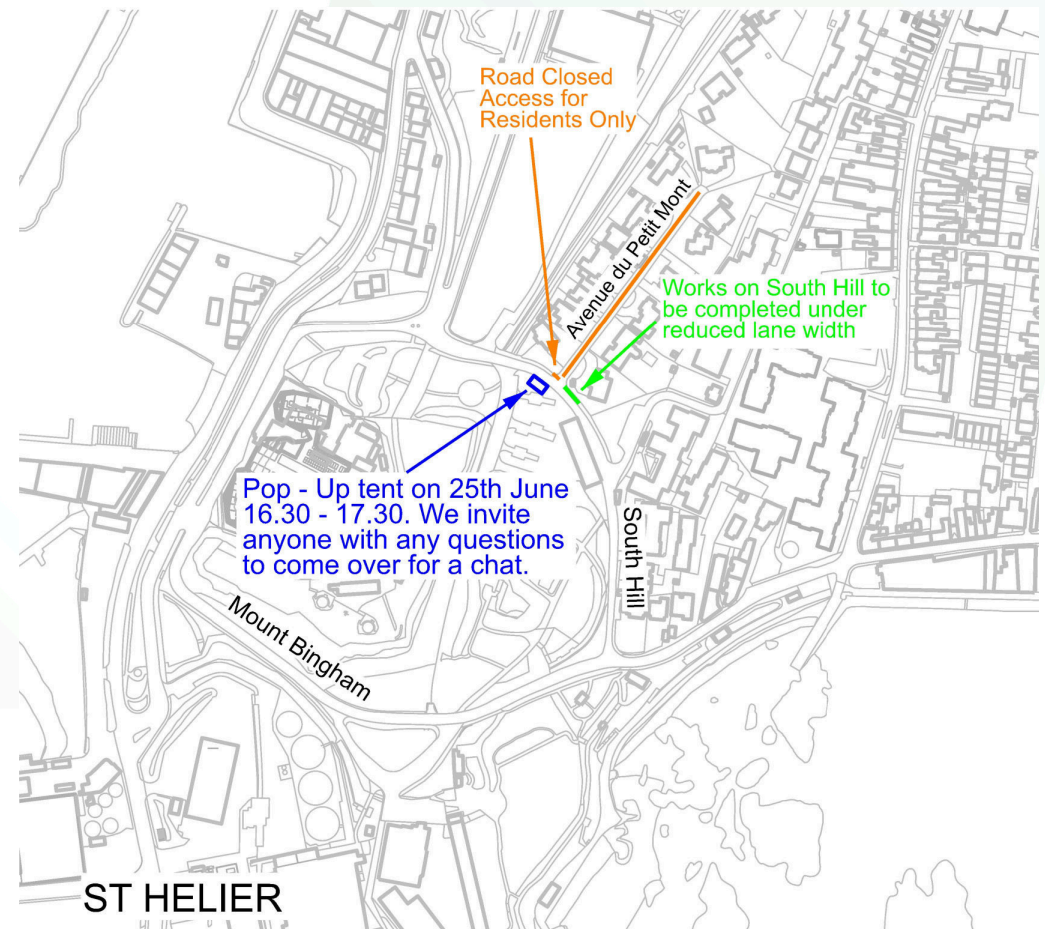

We are writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area.

We are here to help

We welcome the opportunity to talk to you about these works and to answer any questions you have. Our engineers along with our heating experts and customer care team will be on site at Avenue du Petit Mont, as illustrated on the adjoining map, on Thursday 25 June from 4:30pm until 5:30pm.

Details of the planned roadworks, Ref WO880127:

- Start Date: Friday 26 June 2026
- End Date: Thursday 23 July 2026
- Location: Avenue du Petit Mont & South Hill
- Purpose of the Roadworks: To allow us to complete necessary improvements to our electricity infrastructure in the area. Investments like this into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

Avenue du Petit Mont & South Hill, St Helier

Will I be able to access my property?

Yes, throughout the closure Geomarine will ensure adequate signage is set out to maintain access to all properties. There may be times when we are working outside your property and access may be more restricted. We will do our best to notify you at minimum, the day before. If you have any appointments booked that you need to be out for, then we recommend you share the dates with the site team as early as possible to make sure access is ready for you, to avoid delay on the day.

We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

For any major updates regarding these works or our other roadworks please visit our roadworks page jec.co.uk/roadworks.

If you have any concerns or require further information, please do not hesitate to contact our sub-contractor Geomarine on **01534 856566**.
