Dear Customer,

We're writing to inform you about a **change of dates** to planned roadworks and upgrades to the electricity infrastructure in your area. Jersey Electricity's sub-contractor Geomarine will be managing these works.

Details of the planned roadworks, Ref: WO884296

The date for the second phase of works has changed. **This work will now commence on Monday.**

- **Start Date:** Monday 14 September 2026
- **End Date:** Tuesday 22 September 2026
- **Location:** Tower Road, St Helier
- **Purpose of the Roadworks:** This work will allow us to complete necessary improvements to our electricity infrastructure in the area. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

Will I be able to access my property?

Yes, throughout the closure Geomarine will ensure adequate signage is set out to maintain access to all properties. There may be times when we are working outside your property and access may be more restricted. We will do our best to notify you at least a day in advance. If you need to attend appointments on a particular day, please share these dates with the site team as early as possible so they can arrange for you to exit your property in time. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

For any major updates regarding these works or our other roadworks please visit our roadworks page jec.co.uk/roadworks.

If you have any concerns or require further information, please do not hesitate to contact our sub-contractor Geomarine on **01534 856566**.
