LV : Low Voltage / HV : High Voltage / MD : Maximum Demand			

Meter Installation	
As soon as possible	<input type="checkbox"/>
Date am <input type="checkbox"/>
 pm <input type="checkbox"/>

- PLEASE NOTE:
- Jersey Electricity requires a minimum of 5 working days for single installation.
 - Multiple meters installation to be agreed with New Installation Supervisor.
 - An incorrectly filled form could delay the meter installation.

Should we be unable to complete this connection at the agreed time of the appointment due to reasons beyond our control, a fee of £50 will be charged in advance of us having to re-visit the site. Also, we will not connect any meter(s) until all relevant paperwork is received, until full payment as set out in our service quotation has been made, until the supply location is environmentally safe and secure, and until the customer is signed as a J.E. customer where required.
