

Dear Customer

Starting on Monday 16 August for approximately 3 weeks traffic flow in Dunell Road, St Saviour will be reversed, this will require traffic to enter Dunell Road via Beach Road and exit onto St Clements Road as detailed on the map on the map overleaf.

This measure is due to electrical reinforcement works within Dicq Road and the southern end of Beach Road, both of which necessitate closure to through traffic.

We apologise for any inconvenience this may cause and thank you in advance for your co-operation to help us complete this work as quickly as possible.

If you have any queries, please call our customer care team on 505460 8am to 6pm Monday to Friday.
