Electricity

La Rue des Marettes, St Martin

Dear Customer,

We are writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area.

Details of the planned roadworks, Ref WO891429:

- Start Date: Monday 24 August 2026
- End Date: Monday 21 September 2026
- Location: La Rue des Marettes, St Martin
- Purpose of the Roadworks: These works are necessary to replace overhead lines with underground services. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

Will I be able to access my property?

Yes. Throughout the works, access to properties will be maintained, however, a short waiting time whilst we are excavating directly outside your property may be required so we can plate over the trenches/joint bays to allow entry/exit, and businesses will operate as usual. There will be seven different excavation areas in total. We will maintain access from one end of the road at every stage of the works. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

For any major updates regarding these works or our other roadworks please visit our roadworks page jec.co.uk/roadworks.

If you have any concerns or require further information, please do not hesitate to contact our customer care team at jec@jec.co.uk or on 01534 505460.
