

# Roadworks notice

[www.jec.co.uk/roadworks](http://www.jec.co.uk/roadworks)

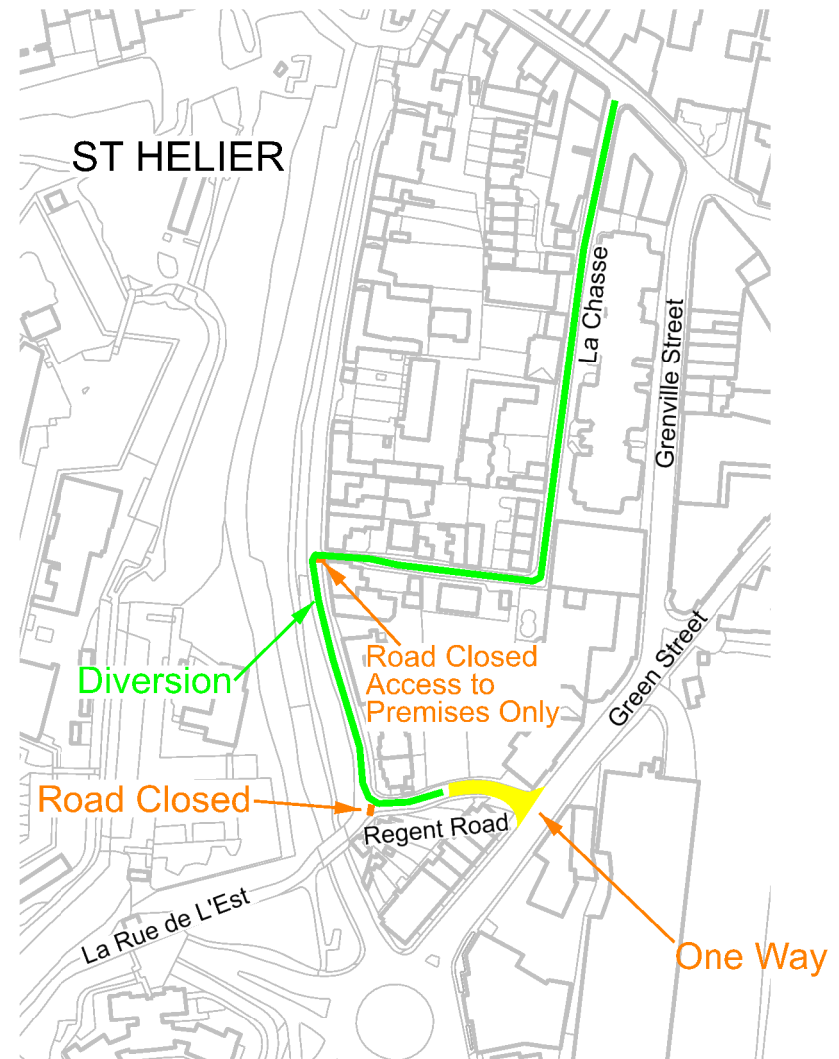

Dear Customer,

Starting on Saturday 15 January, Regent Road, St Helier, will be made one way for the duration of 7 days. This is due to excavation works necessary for us to repair a fault on a public light.

Access to premises will be maintained through the one-way system shown on the adjoining map.

We apologise for the short notice and any inconvenience this may cause and thank you in advance for your co-operation to help us complete this work as quickly as possible.

If you have any queries, please call our Customer Care Team on 505460 8am to 6pm, Monday to Friday.

Jersey Electricity plc

Inspiring a zero carbon future

We are working in your area today to help meet the increasing demand for low-carbon electricity.

As Jersey moves to a zero-carbon future, more and more Islanders are switching from gas and oil to electric heating.

Many are also switching to zero-emission electric vehicles.

Jersey Electricity has a wide range of low-carbon, affordable, electric home heating solutions from electric flow boilers to super-efficient Air Source Heat Pumps with 0% finance.

We also offer home EV charging solutions with 12 months' interest free credit.

For more information on either electric heating or home EV chargers, or to book a free home survey, call **505460**.
