

Roadworks notice

www.jec.co.uk/roadworks

Dear Customer,

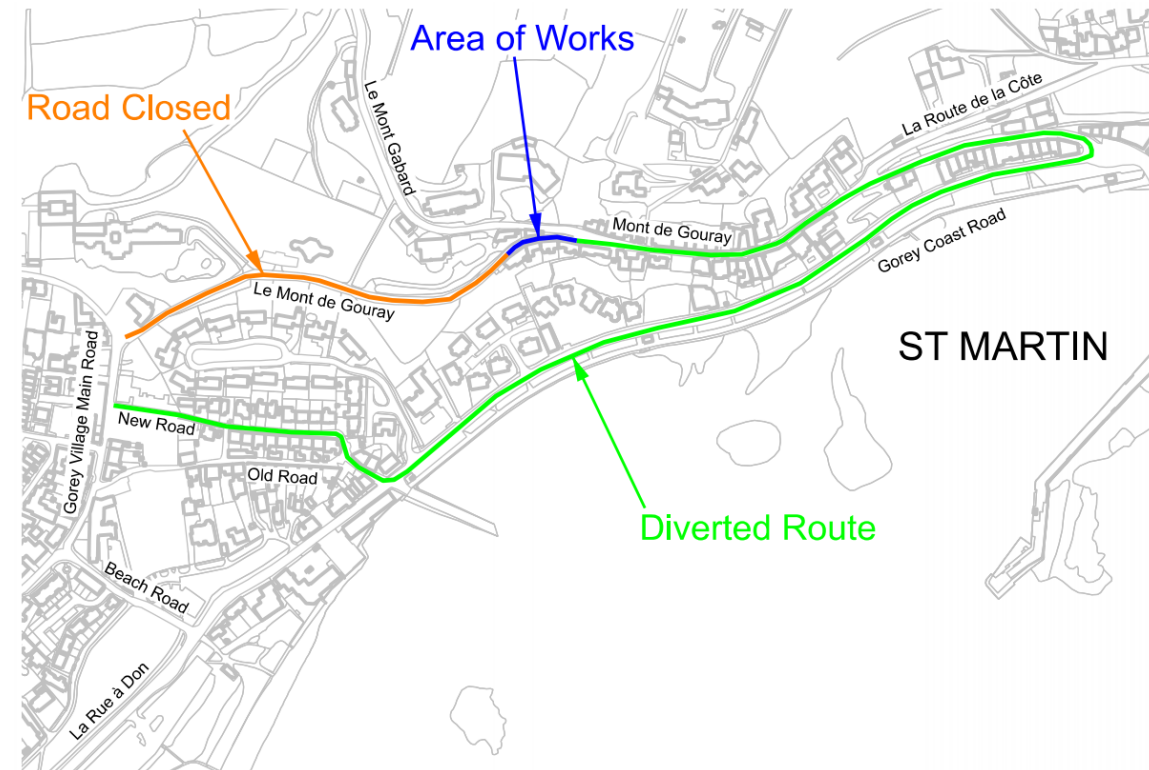

We are writing to update you about planned roadworks and upgrades to the electricity infrastructure in your area.

- Planned End Date: Saturday 27 April
- New End Date: Friday 17 May
- Location: Le Mont de Gouray, St Martin & Grouville
- Purpose: Whilst carrying out the building works to Gorey Substation, it became clear that it required greater repairs than initially expected. We are progressing the substation building repairs, which are vital to ensure the safety of the building, neighbouring properties and surrounding infrastructure. The safety of our employees and the public is our number one priority whilst we complete this essential work.

Will I be able to access my property? Yes. During the works, access to properties will remain uninterrupted using two-way traffic management. Businesses can continue to operate as normal.

We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your ongoing understanding as we continue to make the substation safe and future-proof the local electricity supply.

If you have any concerns or require further information, please do not hesitate to contact our customer care team on 01534 505460.

Jersey Electricity plc

Inspiring a zero carbon future

We are working in your area today to help meet the increasing demand for low-carbon electricity.

Due to the ever-increasing demand for electricity, our dedicated team is hard at work enhancing our distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure we can meet your energy needs efficiently.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to reach out to our customer care team at **01534 505460**.

Thank you for your continued support.
