Electricity

La Rue Du Bouillon, St Martin

Dear Customer,

We are writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area.

Details of the planned roadworks, Ref WO893091:

- Start Date: Monday 17 August 2026
- End Date: Friday 4 September 2026
- Location: La Rue Du Bouillon, St Martin
- Purpose of the Roadworks: These works are necessary to strengthen the network. We will be installing a new substation at Beuvelande campsite and as part of this upgrade we will also be removing the overhead lines in the area. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

Will I be able to access my property?

Yes, throughout the closure we will ensure adequate signage is set out to maintain access to all properties. There may be times when we are working outside your property and access may be more restricted. We will do our best to notify you at least a day in advance and, if necessary, we will organise for alternative parking. If you need to attend appointments on a particular day, please share these dates with the site team as early as possible so they can arrange for you to exit your property in time. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.
