

**We are working in your area today to help meet the increasing demand for low-carbon electricity.**

**Roadworks notice.**

Due to the ever-increasing demand for electricity, Jersey Electricity, supported by our sub-contractor Geomarine, is hard at work enhancing the electricity distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure Jersey Electricity continues to meet your energy needs.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to contact our sub-contractor Geomarine on **01534 856566**.

**Thank you for your continued support.**

# La Pointe, St Saviour

Dear Customer,

We're writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area. Jersey Electricity's sub-contractor Geomarine will be managing these works. To minimise the impact of these works we will be doing the work in three phases.

## We are here to help

We welcome the opportunity to talk to you about these works and to answer any questions you have. Our engineers along with our heating experts and customer care team will be at La Pointe on Monday 5 January from 4:30pm until 6pm.

## Details of the planned roadworks, Ref: WO875669

### Phase One

- Start date: Monday 5 January 2026
- End date: Thursday 22 January 2026
- Location: La Pointe, St Saviour
- Purpose of the Roadworks: This work is for us to complete necessary improvements to our electricity infrastructure in the area. These investigations will help identify the best route for the new mains cable. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

### Will I be able to access my property?

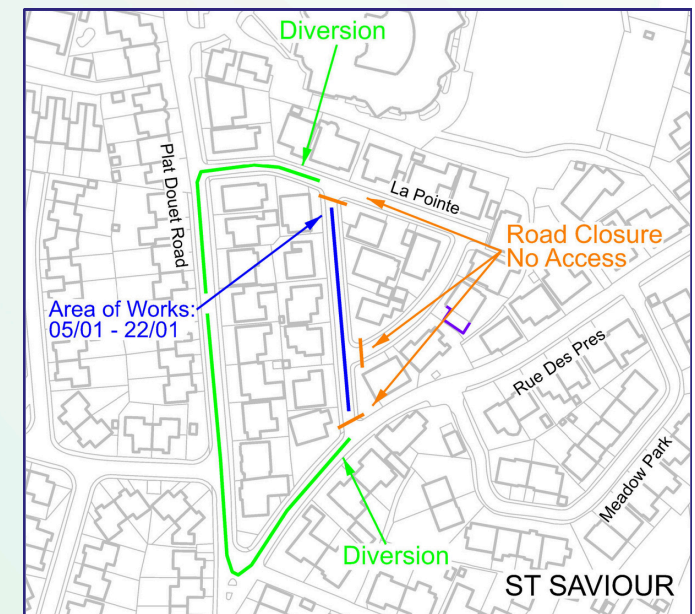

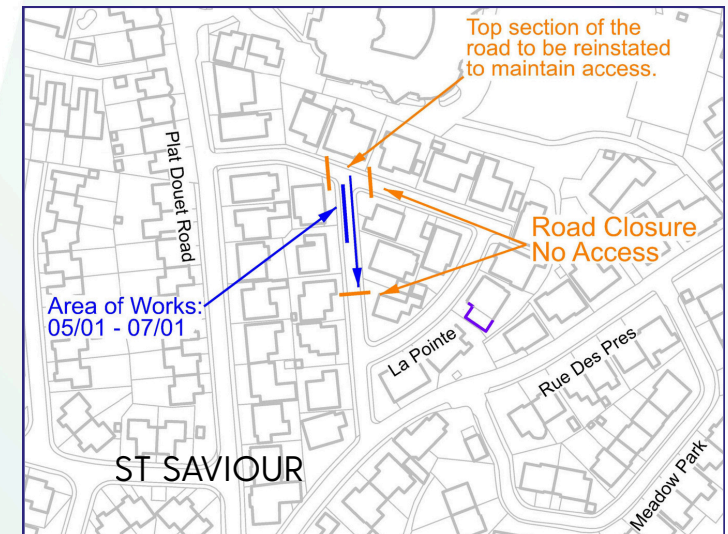

At some stages it will not be possible for you to park on the road or have access to your driveway. Please take note of the map which will show at what point access will be not possible for you. This will change during each phase of the work.

During these times, we recommend you park on the road on the estate or nearby. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

**For any major updates regarding these works or our other roadworks please visit our roadworks page [jec.co.uk/roadworks](http://jec.co.uk/roadworks).**

If you have any concerns or require further information, please do not hesitate to contact our sub-contractor Geomarine on **01534 856566**.
