

**We are working in your area today to help meet the increasing demand for low-carbon electricity.**

**Roadworks notice.**

Due to the ever-increasing demand for electricity, Jersey Electricity, supported by our sub-contractor Geomarine, is hard at work enhancing the electricity distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure Jersey Electricity continues to meet your energy needs.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to contact our sub-contractor Geomarine on **01534 856566**.

**Thank you for your continued support.**

**GEOMARINE**

# Pont du Val, Petit Route des Mielles, and Le Clos Des Mielles, St Brelade

Dear Customer,

We're writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area.

Jersey Electricity's sub-contractor Geomarine will be managing these works.

## We are here to help

We welcome the opportunity to talk to you about these works and to answer any questions you have.

## Visit our drop in session

Our engineers along with Geomarine and our wider team will be on location at the junction between Pont Du Val and La Petite Route des Mielles, illustrated on the map on **Monday 2 March from 4:30pm until 6:00pm.**

# Pont du Val, Petit Route des Mielles, and Le Clos Des Mielles, St Brelade

Dear Customer,

We're writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area. Jersey Electricity's sub-contractor Geomarine will be managing these works.

## Details of the planned roadworks, Ref: WO890825

- Start Date: Monday 2 March 2026
- End Date: Friday 17 April 2026
- Location: Pont du Val, Petit Route des Mielles and Le Clos Des Mielles, St Brelade
- Purpose of the Roadworks: This work is for us to complete necessary improvements to our electrical infrastructure in the area. We ask that people follow the diversions in place. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

## Will I be able to access my property?

Yes, throughout the closure Geomarine will ensure access to properties is maintained. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

For any major updates regarding these works or our other roadworks please visit our roadworks page [jec.co.uk/roadworks](http://jec.co.uk/roadworks).

If you have any concerns or require further information, please do not hesitate to contact our sub-contractor Geomarine on **01534 856566**.
