

We are working in your area today to help meet the increasing demand for low-carbon electricity.

Roadworks notice.

Due to the ever-increasing demand for electricity, Jersey Electricity, supported by our sub-contractor Geomarine, is hard at work enhancing the electricity distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure Jersey Electricity continues to meet your energy needs.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to contact our sub-contractor Geomarine on **01534 856566**.

Thank you for your continued support.

je Jersey Electricity

GEOMARINE

La Rue de la Perruque, St Martin

Dear Customer,

We're writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area. Jersey Electricity's sub-contractor Geomarine will be managing these works.

Details of the planned roadworks, Ref: WO909672

- Start Date: Tuesday 1 September 2026
- End Date: Friday 4 September 2026
- Location: La Rue De La Perruque, St Martin
- Purpose of the Roadworks: This work will allow us to excavate trial holes in the road to confirm the route for a new mains cable. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

Will I be able to access my property?

Yes, throughout the closure Geomarine will ensure adequate signage is set out to maintain access to all properties. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

For any major updates regarding these works or our other roadworks please visit our roadworks page jec.co.uk/roadworks.

If you have any concerns or require further information, please do not hesitate to contact our sub-contractor Geomarine on 01534 856566.
