www.jec.co.uk/roadworks

Dear Customer,

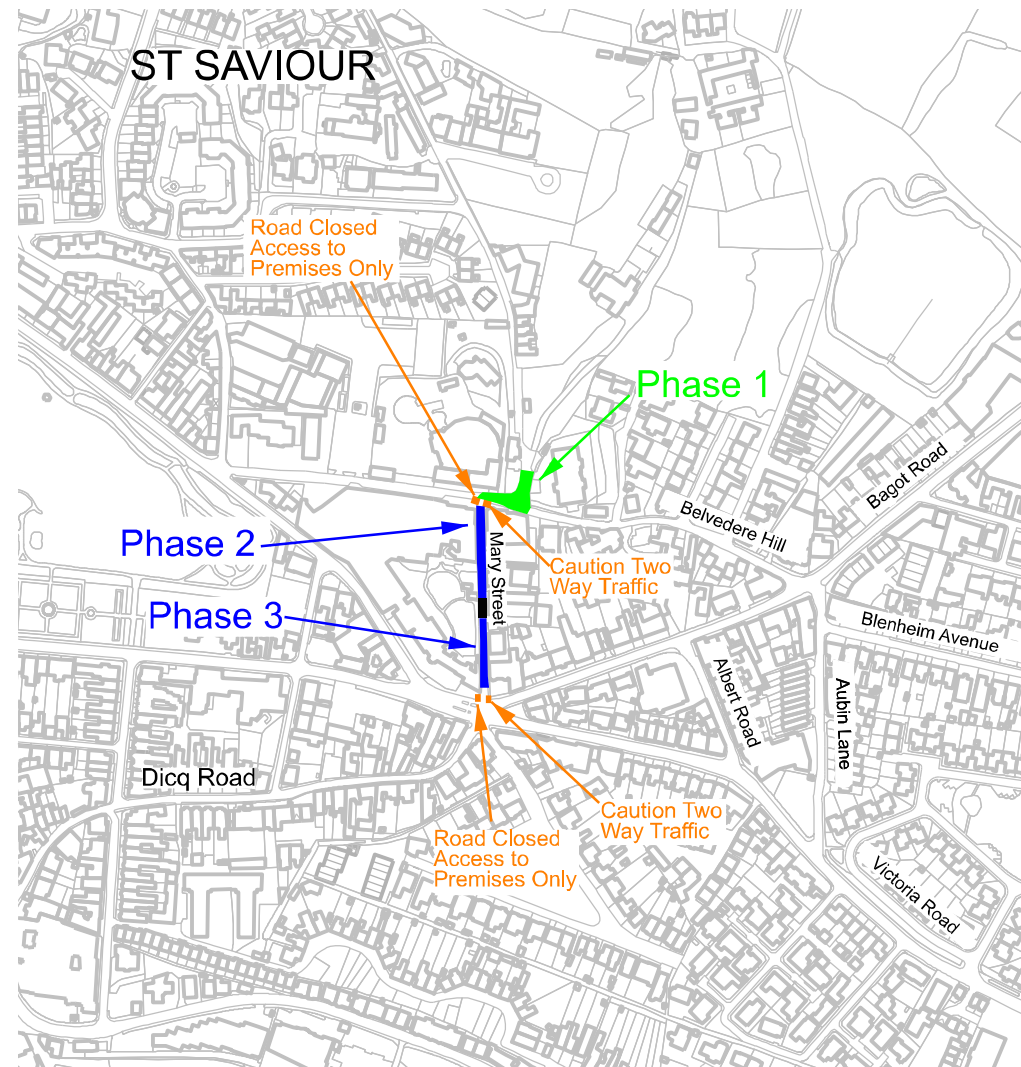

Starting on Monday 23 May, Mary Street, St Saviour, will be closed for six weeks. This is due to excavation works necessary for us to overlay a faulty HV cable. There will also be some works on Belvedere hill, to enable us to carry out a road crossing which will commence on the 10 May, however access will be maintained for Phase 1.

For Phase 2 of the works Mary street will be made two-way traffic. When excavation works commence phase 2 access will be from South end of Mary street. Whilst we carry out works on phase 3 access will be from North end of Mary Street. Access to premises will be maintained.

Please see adjoining map for details.

We apologise for the short notice and any inconvenience this may cause and thank you in advance for your co-operation to help us complete this work as quickly as possible.
