# Old St Andrew's Road, St Andrew's Road, St Helier

Dear Customer,

We're writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area. Jersey Electricity's sub-contractor Geomarine will be managing these works. To minimise the impact of these works we will be doing the work in two phases.

## We are here to help

We welcome the opportunity to talk to you about these works and to answer any questions you have. Our engineers along with our heating experts and customer care team will be at St Andrew's Road, as illustrated on the adjoining map, on Wednesday 15 April from 4:30pm until 6pm.

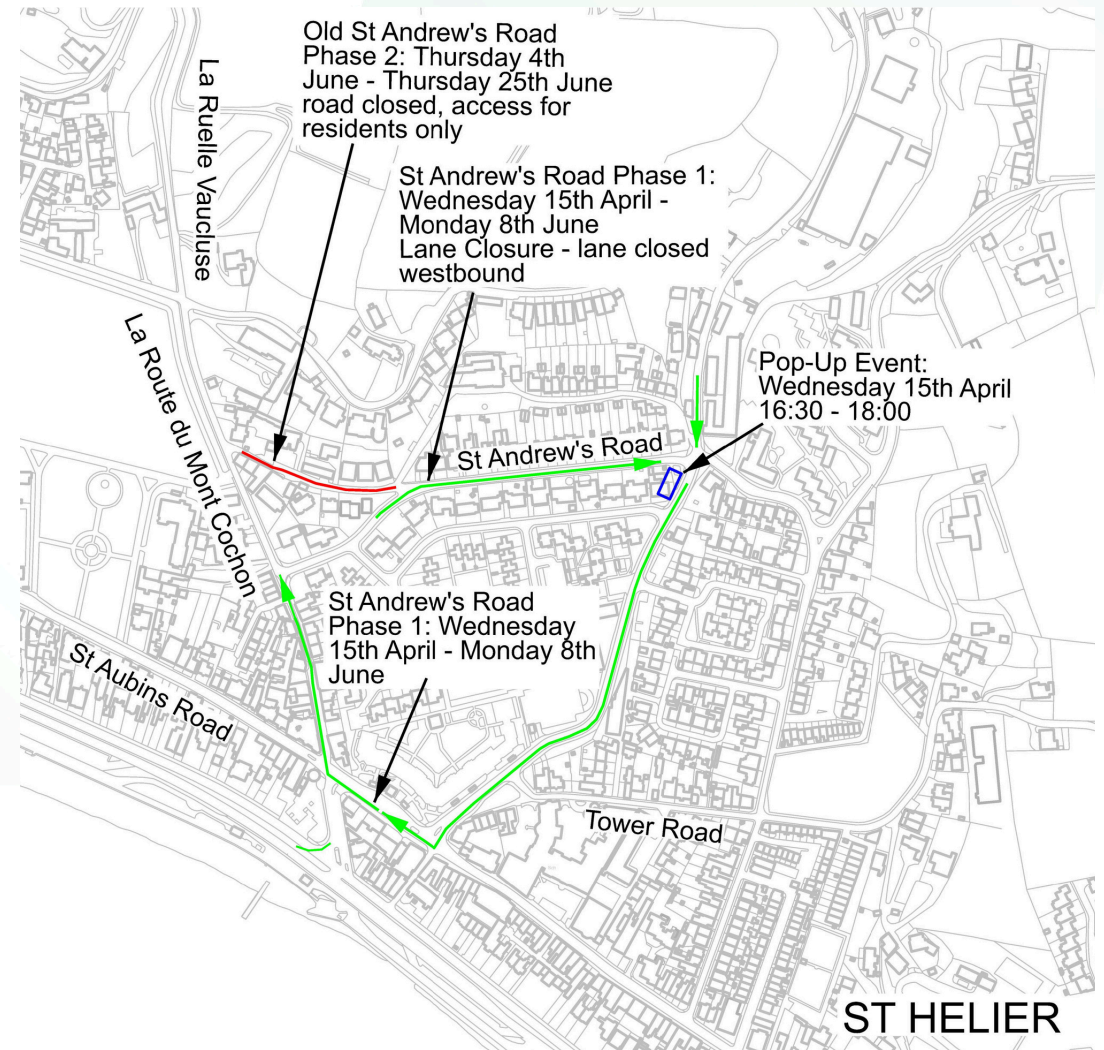

## Details of the planned roadworks, Ref: WO896036

### Phase One

- Start date: Wednesday 15 April 2026
- End date: Monday 8 June 2026
- Location: St Andrew's Road, St Helier, lane closure westbound toward La Route du Mont Cochon

### Phase Two

- Start date: Thursday 4 June 2026
- End date: Thursday 25 June 2026
- Location: Old St Andrew's Road, St Helier, road closure, access to residents only
- Purpose of the Roadworks: This work is for us to complete necessary improvements to our electricity infrastructure in the area. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.
