

# Comfort Heat Domestic Tariff

1 July 2022

Jersey Electricity

This tariff is for supplies of electricity for domestic use in a single private home.

Prices marked\* and shown in bold are inclusive of GST (Goods and Services Tax).

Prices alongside in brackets reflect our underlying tariff.

All tariffs carry a Daily Service Charge, whether or not electricity is used, to cover metering, administration and other costs.

Our Comfort Heat Domestic Tariff consists of three rates, Comfort, Low and Normal. The Comfort Heat Rate is specifically for approved space and water heating, with a second discounted rate for all your other appliances used in the Low Period.

## Comfort Heat (Rate 3) - 9.40p a unit (8.95p)

- Eight hours of discounted electricity for all units used by approved space and water heating connected on a dedicated supply circuit.
- Three hours at night between 3am and 8am.
- Two hours during the day between 1pm and 5pm.
- Three hours in the evening between 7pm and midnight.

Please note that these are general time periods. The actual times are at the discretion of Jersey Electricity.

## Low Period (Rate 2) - 12.77p a unit (12.16p)

- For all units used by all appliances (other than approved space and water heating) during eight hours between 11pm and 7am.

## General Rate (Rate 1) - 17.13p a unit (16.31p)

- For all units used by all appliances during the other 16 hours outside the Comfort Heat and Low Period times.

### Daily Service Charge

Single Phase **22.17p** (21.11p)
