Roadworks notice.

We are working in your area today to help meet the increasing demand for low-carbon electricity.

Due to the ever-increasing demand for electricity, our dedicated team is hard at work enhancing our distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure we can meet your energy needs efficiently.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to reach out to our customer care team at **01534 505460.**

Thank you for your continued support.

Jersey Electricity

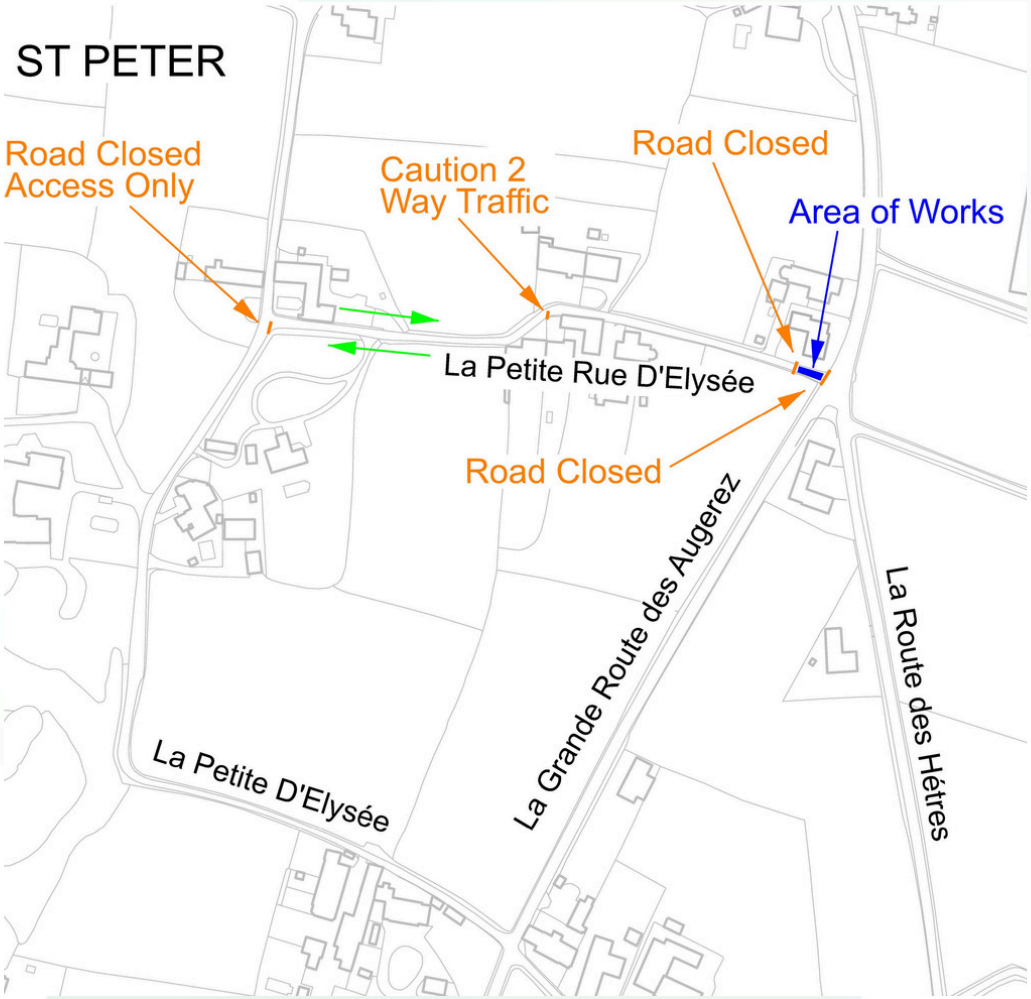

La Petite Rue d'Elysée, St Peter

Dear Customer,

We are writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area.

Details of the planned roadworks, Ref WO928519:

- Start Date: Monday 9 November 2026
- End Date: Friday 13 November 2026
- Location: La Petite Rue d'Elysée, St Peter
- Purpose of the Roadworks: This closure is for excavation works necessary for us to strengthen the network in the area. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

Will I be able to access my property? Yes, throughout the closure we will ensure adequate signage is set out to maintain access to all properties. There may be times when we are working outside your property and access may be more restricted. If necessary, we will organise for alternative parking. We will do our best to notify you at least a day in advance. If you need to attend appointments on a particular day, please share these dates with the site team as early as possible so they can arrange for you to exit your property in time. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.
