# La Marquanderie Hill, St Brelade

Dear Customer,

We're writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area. Jersey Electricity's sub-contractor Geomarine will be managing these works.

## Details of the planned roadworks, Ref: WO800290

- Start date: Sunday 12 April 2026
- End date: Friday 17 April 2026
- Location: La Marquanderie Hill, St Brelade
- Purpose of the Roadworks: This work is for us to complete necessary improvements to our electricity infrastructure in the area. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

## Will I be able to access my property?

Access to properties will be maintained where possible. However, there will be occasions where temporary restrictions will be in place. If you have specific access requirements, please contact the Geomarine team, who will endeavour to accommodate you.

**Please note that the shuttle service at St Brelade's Bay will run 10 minutes earlier than the advertised timetable time.** We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

**For any major updates regarding these works or our other roadworks please visit our roadworks page [jec.co.uk/roadworks](http://jec.co.uk/roadworks).**

If you have any concerns or require further information, please do not hesitate to contact our sub-contractor Geomarine on **01534 856566**.
