

# Roadworks notice.

We are working in your area today to help meet the increasing demand for low-carbon electricity.

Due to the ever-increasing demand for electricity, Jersey Electricity, supported by our sub-contractor Geomarine, is hard at work enhancing the electricity distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure Jersey Electricity continues to meet your energy needs.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to contact our sub-contractor Geomarine on **01534 856566**.

**Thank you for your continued support.**

**je** Jersey Electricity

**GEOMARINE**

# D'Auvergne Lane, St Helier

Dear Customer,

We're writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area. Jersey Electricity's sub-contractor Geomarine will be managing these works.

## Details of the planned roadworks, Ref: WO811236

- Start date: Monday 26 January 2026
- End date: Friday 30 January 2026
- Location: D'Auvergne Lane, St Helier
- Purpose of the Roadworks: This work is for us to complete necessary improvements to our electricity infrastructure in the area. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

## Will I be able to access my property?

Yes, throughout the closure Geomarine will ensure adequate signage is set out to maintain access to all properties. Vehicle access will be maintained via Roseville Street, and D'Auvergne Lane will operate as a two-way route for the duration of the works. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

**For any major updates regarding these works or our other roadworks please visit our roadworks page [jec.co.uk/roadworks](http://jec.co.uk/roadworks).**

If you have any concerns or require further information, please do not hesitate to contact our sub-contractor Geomarine on **01534 856566**.
