

# Roadworks notice

[www.jec.co.uk/roadworks](http://www.jec.co.uk/roadworks)

Dear Customer,

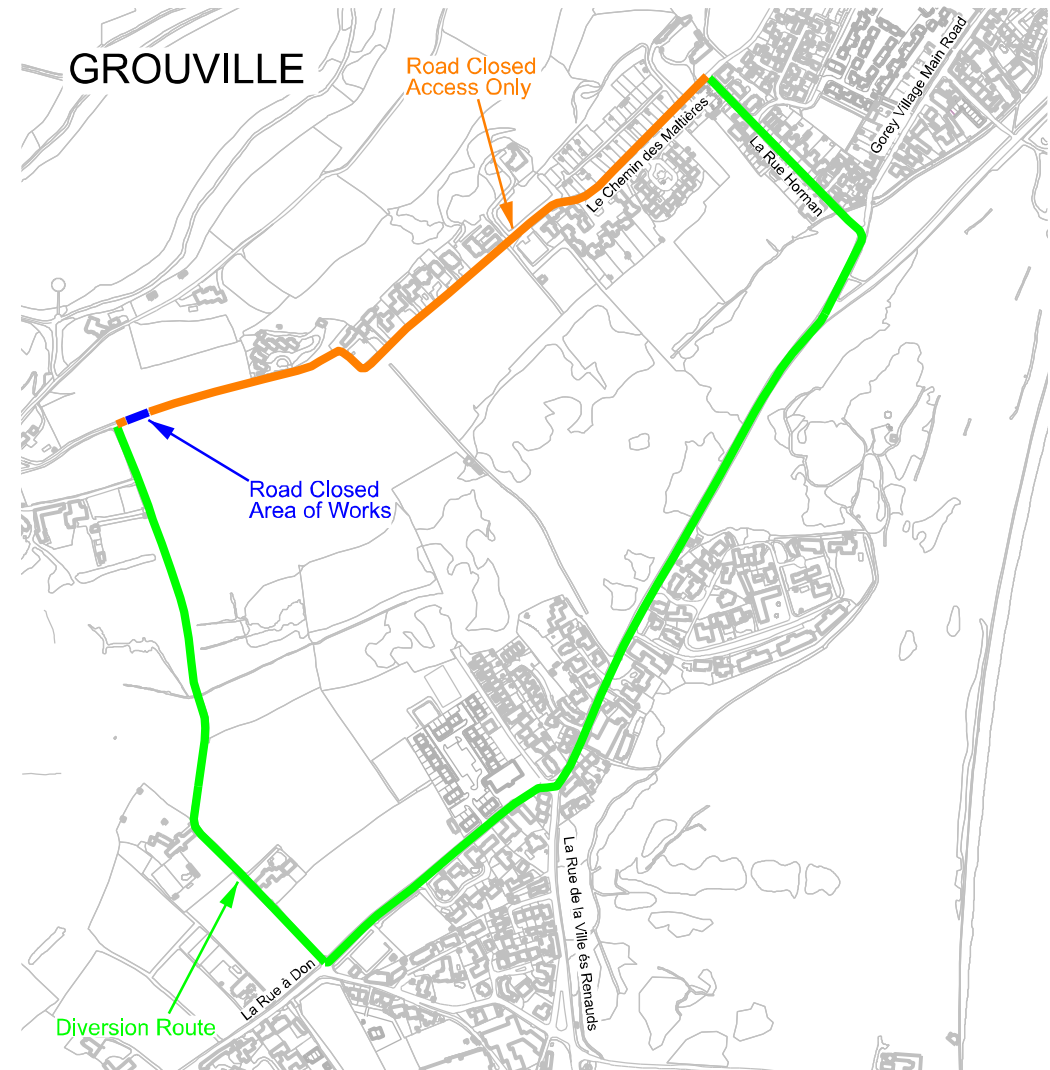

Starting on Wednesday 6 July, Le Chemin des Maltieres, Grouville, will be closed to through traffic until Saturday 16 July. This is due to excavation works necessary for us to remove a section of overhead power lines.

Jersey Water will be closing Le Chemin des Maltieres, on 18 July for 1 day. You will receive a separate letter from them with further information.

The affected area is detailed on the adjoining map. Access to premises will be maintained throughout the period of works from either end.

We apologise for any inconvenience this may cause and thank you in advance for your co-operation to help us complete this work as quickly as possible

If you have any queries, please call our Customer Care Team on 505460 8am to 6pm, Monday to Friday.

**Jersey Electricity plc**

Inspiring a zero carbon future

We are working in your area today to help meet the increasing demand for low-carbon electricity.

As Jersey moves to a zero-carbon future, more and more Islanders are switching from gas and oil to electric heating.

Many are also switching to zero-emission electric vehicles.

Jersey Electricity has a wide range of low-carbon, affordable, electric home heating solutions from electric flow boilers to super-efficient Air Source Heat Pumps with 0% finance.

We also offer home EV charging solutions with 12 months' interest free credit.

For more information on either electric heating or home EV chargers, or to book a free home survey, call **505460**.
