

**We are working in your area today to help meet the increasing demand for low-carbon electricity.**

**Roadworks notice.**

Due to the ever-increasing demand for electricity, our dedicated team is hard at work enhancing our distribution network. This vital work involves strengthening our existing infrastructure and extending new supplies to ensure we can meet your energy needs efficiently.

We appreciate your patience and understanding as we make these necessary improvements to serve you better.

Should you have any questions or need additional details, please feel free to reach out to our customer care team at **01534 505460**.

**Thank you for your continued support.**

Electricity

# La Rue des Marettes, St Martin

Dear Customer,

We are writing to inform you about planned roadworks and upgrades to the electricity infrastructure in your area. The works will be completed in three phases.

## Details of the planned roadworks, Ref WO891429:

### Phase one:

- Start Date: Monday 20 April 2026
- End Date: Tuesday 12 May 2026
- Location: La Rue des Marettes, St Martin
- Purpose of the Roadworks: This closure is for us to switch out overhead lines for underground services. This investment into our infrastructure is essential to enhance the reliability and efficiency of our electricity supply system.

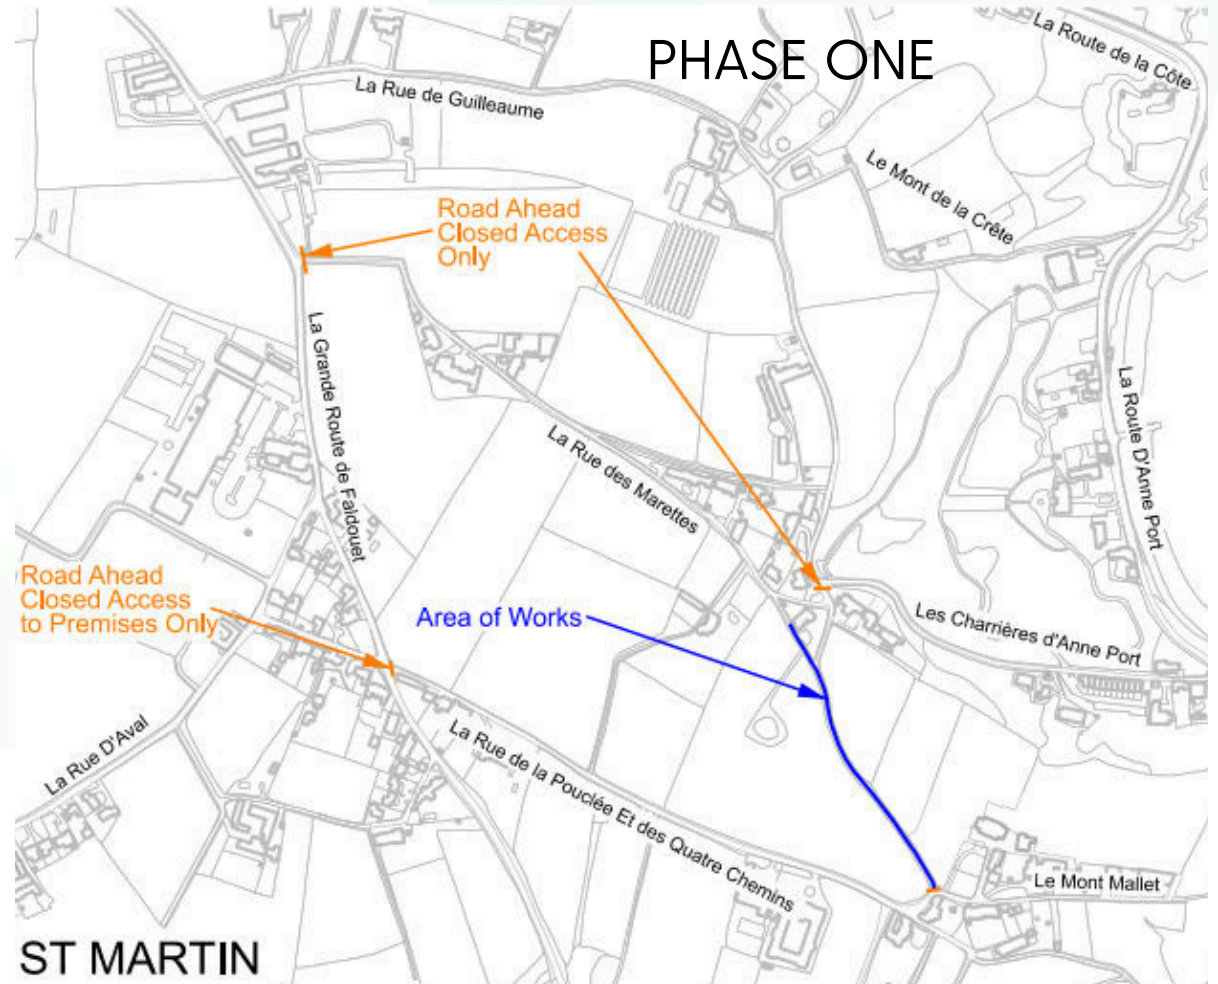

### Will I be able to access my property?

Yes, access to all properties will be maintained throughout the works. There may be a brief wait if we are excavating directly outside your property, but we will promptly place a secure cover over the trench to allow safe entry and exit. All nearby businesses will remain open and operating as normal. We aim to minimise disruption and complete tasks promptly. We apologise for any inconvenience and appreciate your understanding.

**For any major updates regarding these works or our other roadworks please visit our roadworks page [jec.co.uk/roadworks](http://jec.co.uk/roadworks).**

If you have any concerns or require further information, please do not hesitate to contact our customer care team at [jec@jec.co.uk](mailto:jec@jec.co.uk) or on **01534 505460**.
