

# Roadworks notice

[www.jec.co.uk/roadworks](http://www.jec.co.uk/roadworks)

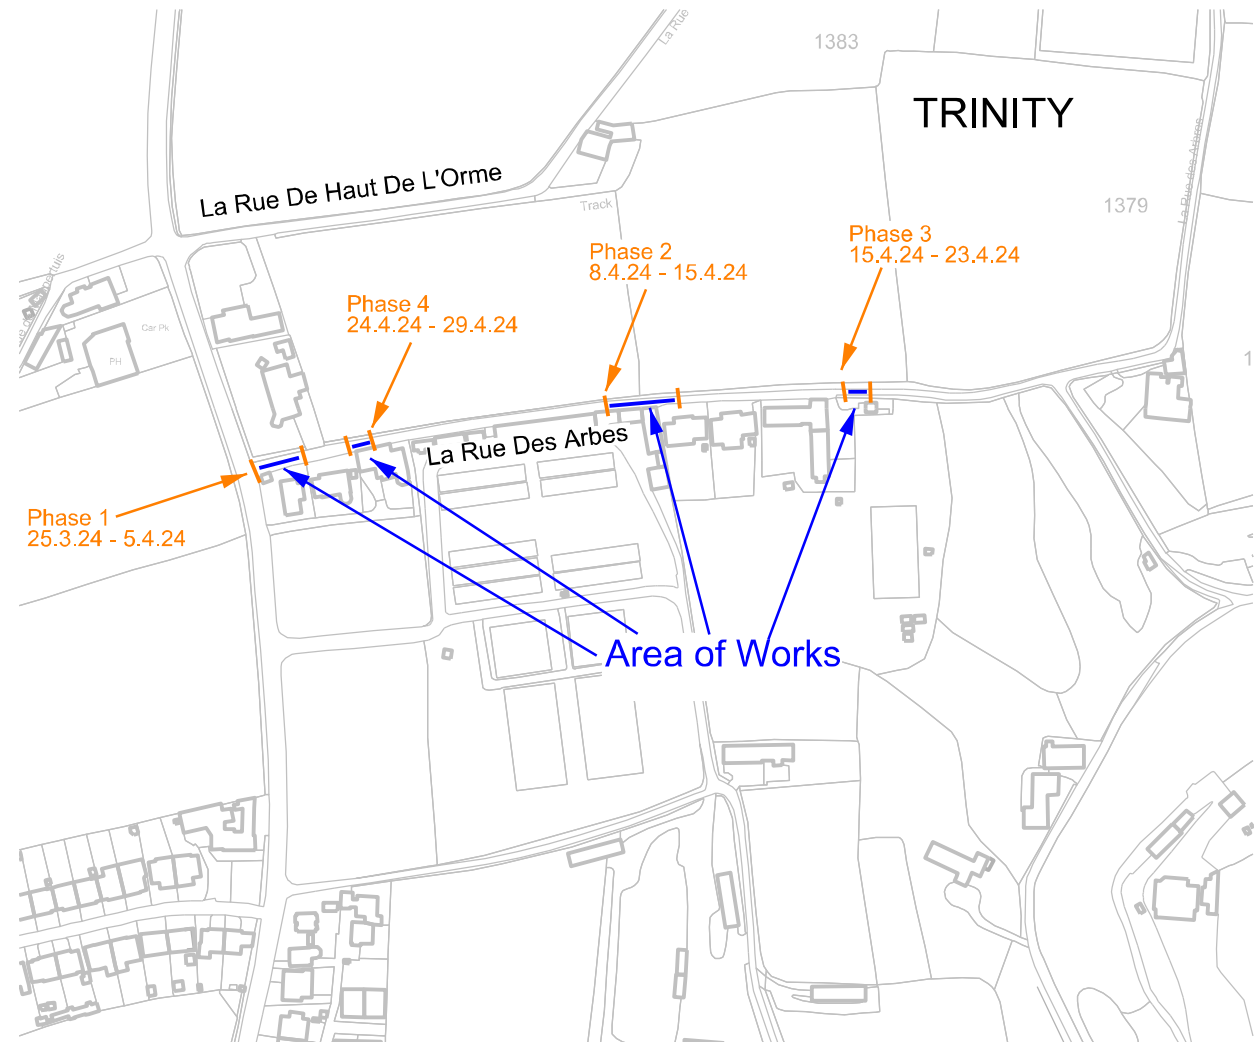

Dear Customer,

On Monday 25th March 2024, La Rue des Arbes will have a series of phased road closures for approximately 6 weeks. This is due to the excavation in the road for the installation of new cables to transfer the existing overhead cables to underground services.

The affected areas are detailed on the adjoining map. Access to all premises will be maintained.

We apologise for any inconvenience this may cause and thank you in advance for your cooperation to help us complete this work as quickly as possible.

If you have any queries, please call our Customer Care team on 505460 between 8am & 6pm Monday to Friday.

**Jersey Electricity plc**

Inspiring a zero carbon future

We are working in your area today to help meet the increasing demand for low-carbon electricity.

As Jersey moves to a zero-carbon future, more and more Islanders are switching from gas and oil to electric heating.

Many are also switching to zero-emission electric vehicles.

Jersey Electricity has a wide range of low-carbon, affordable, electric home heating solutions from electric flow boilers to super-efficient Air Source Heat Pumps with 0% finance.

We also offer home EV charging solutions with 12 months' interest free credit.

For more information on either electric heating or home EV chargers, or to book a free home survey, call **505460**.
